

Tables Comparing Densities and Allowed Uses in CodeNEXT Version 4 Versus Current Code

October 19, 2019

Linked below are tables prepared by Community Not Commodity that compare uses and densities proposed by CodeNEXT Version 4 (also known as the Land Development Code Revision) to current zoning:

- [Table Comparing Density Under Current Code vs CodeNEXT Version 4 House and RM1 Form](#)
- [Table Comparing Density Under Current Code vs CodeNEXT Version 4 Multifamily Form](#)
- [Table Comparing Uses in Residential Areas: Current and CodeNEXT Version 4](#)
- [Table Comparing Allowed Uses in Some Commercial Areas Under Current Code vs Proposed CodeNEXT Version 4](#)
